

Consultation #1: Results of discussions and reports of activities post-Kyoto 2019

Following the 2019 ICOM Kyoto General Conference, ICOM-US launched the following initiatives to continue the Museum Definition discussion and gather feedback from our US members:

(Abstract 1 of 3)

ICOM-US Museum Definition Initiatives

- February 2020: Created a museum definition task force made up of a subcommittee of the ICOM-US Board.
- April 2020: Created a Museum Definition forum for US members on the ICOM-US website
- May 2020: Article published in the AAM Museum Journal (pg. 14-17) [“Redefining Museums: After a rocky start, the International Council of Museums begins anew on defining “museum”.”](#)
- June 2020: Following leadership changes at ICOM Secretariat, [ICOM-US shared a statement](#) to encourage the continuation of the museum definition discussion.
